

We are ordering the following modules of the CoolTool - software :

Modules:

No.	Module/ Description		Price €
1.	CoolTool for one stage refrigeration plants	<input type="radio"/>	400,-
2.	CoolTool for two stage refrigeration plants	<input type="radio"/>	400,-
3.	CoolTool for compound plants with direct evaporation	<input type="radio"/>	800,-
4.	CoolTool for cold water compound plants	<input type="radio"/>	800,-
5.	CoolTool for compound plants with flooded evaporation	<input type="radio"/>	800,-
6.	CoolTool h,x - chart, air humid handling	<input type="radio"/>	200,-
7.	CoolTool cold room calculation	<input type="radio"/>	200,-
8.	CoolTool air conditioning	<input type="radio"/>	300,-
9.	CoolDraw incl. EN 1861/ DIN 40 900 symbols	<input type="radio"/>	400,-
10.	CoolTool HeatPump Design/ Amortisation	<input type="radio"/>	400,-
11.	CoolTool Calculation	<input type="radio"/>	200,-
12.	CoolTool EnerSim - Pro Energy Optimisation	<input type="radio"/>	200,-
13.	CoolTool Database 22.000 Parts	<input type="radio"/>	150,-

Software packages for special conditions:

No.	Module/ Description		Price €
A1.	CoolTool basic pack I: Modules 1,7 + Database The basics: pipe layout, cooling load and component selection	<input type="radio"/>	690,- (instead 750,-)
A2	CoolTool basic pack II: Modules 1, 6, 7, 8,9, 12 + Database Everything for the daily needs in cooling business: pipe layout, components, cooling load, drawing etc.	<input type="radio"/>	1590,- (instead 1850,-)
A3	CoolTool air conditioning package: Modules 1, 4, 6, 8 + Database Everything you need for air conditioning: h,x Chart, coldwater tube framework, cooling equipment etc.	<input type="radio"/>	1590,- (instead 1850,-)
A4	CoolTool professional package: Modules 1, 3, 4, 6, 7, 8, 9, 12 + Database Single step circuit, direct evaporation, cold water, compound plants, design, energy optimisation, cooling load, air humid handling, documentation, system flow diagramm, partlist or layout and comparison of components: a comprehensive sophisticated package.....	<input type="radio"/>	2990,- (instead 3350,-)
A5	CoolTool complete package: All Software Modules	<input type="radio"/>	4690,- (instead 5250,-)

Special Service maintenance contract :

Several times per year the new Version of the software modules and the database with better and extended functions, more parts, more graphical elements etc. via e-mail into your version.
For 10 % of the original price of your version:

€

Signature/ Stamp:

City/Date:

The prices are in € without VAT, postage and packaging
